

FLORA & STELLA

Flora

Stella

Multimedia Kiosk

Reliable, affordable and easy to use digital interactive kiosk solution

Application Area

- Education
- Restaurants
- Supermarkets
- Real Estate
- Healthcare
- Retail
- Hotel / Leisur

Touch technology - Capacitive

The Projective Capacitive (PCAP) touch technology with 12 touch points ensures a seamless and accurate touch response. With its AMVA3 LED panel, it offers exceptional colour performance, high contrast and wide viewing angles.

Plug and Play

If there is no internet access available the screen can still be updated thanks to their backup USB update option.

24/7 Commercial Use

A commercial grade panel, with a lifespan of 50.000 hours and high quality compenets ensure that thisdisplay can be in constant use 24/7.
